

Corporate Sponsorship Program

The Southeastern Michigan Chapter is soliciting corporate sponsors for our **2017 Chapter Corporate Sponsorship Program**. While limited to the first twenty-four (24) organizations that respond, all member companies are invited to participate. Registered on a first made / first paid basis, these \$500 Corporate Sponsorships are for the March 1, 2017 – March 1, 2018 calendar year. Limited availability means that timing is critical. Don't get shut out of this opportunity!

A Corporate Sponsorship provides the following for the entire benefit period:

- Sponsor logo exhibited in a prominent location during all programs and events
- *Chapter Corporate Sponsor* added to the name badge of each company representative
- Verbal recognition during welcoming remarks at all programs and events
- Logo, with link to company website, brief description of company, and complete contact information for company IFMA member on the Chapter website
- First consideration given to sponsors, if desired, when a location is needed for a general program
- Logo printed in program of the annual CoreNet Michigan Economic Forecast luncheon, presented in conjunction with IFMA, BOMA, CCIM, CREW, IREM, and SMPS. This very well-attended event provides an exceptional networking and marketing opportunity.

Corporate Sponsor support enables the Chapter to maintain improved and expanded member benefits that include education programs, CFM exam preparation, tours of interesting facilities and other unique venues, the holiday celebration, and the annual golf outing, as well as the services of a local Chapter Administrator.

Registrations are being accepted now for those wishing to secure a sponsorship with 2016 funds. If waiting until 2017, we respectfully recommend allocating corporate sponsor dollars early in the 2017 budget planning process.

Payment for a 2017 Corporate Sponsorship may be made by a check in the amount of \$500 made payable to *IFMA Southeastern Michigan* and mailed to IFMA Southeastern Michigan, P.O. Box 338, Ortonville, MI 48462. Beginning in November, credit card payments can be made on the sponsorship page of the website, www.ifmasemichigan.org. Please note that all payments must be received by January 31, 2017.

Questions regarding the 2017 Corporate Sponsorship Program should be addressed to Board Treasurer, Robert Beuter (248.840.7887) or Board Member, Angelo Torcolacci (248.477.2444).

Respectfully,

Robert Beuter, IFMA
