

2015 GOLF OUTING
DATE: Wednesday, July 15, 2015

January 2015

Dear Potential Golf Sponsor:

Thank you for considering sponsorship of the 22nd Annual IFMA Golf Outing. Attached is a list of the benefits of the various sponsorship levels for this event.

IFMA (International Facility Management Association) is a not-for-profit organization consisting of 200 local members. These members represent facility managers from organizations such as DTE Energy, General Motors, Ford, Chrysler, Blue Cross Blue Shield, and many other prominent companies, as well as suppliers to these companies. The ratio of end users to service providers at the outing is approximately 3:1.

2015 will represent the 22nd annual Golf Outing for the Southeastern Michigan IFMA organization, and is the only fund-raiser hosted by the group. The IFMA Golf Outing continues to be known as one of the best outings of the season - attracting the maximum number of golfers possible for a 27-hole course (240 golfers) for over 10 years.

Men and women who make decisions regarding vendors/suppliers to major companies play in the IFMA Golf Outing. Your product or service could not reach a more favorable audience.

The 2015 Outing is scheduled for Wednesday, July 15, 2015. Our Host is **Mystic Creek Golf Club & Banquet Center, Milford, Michigan.**

We sincerely appreciate your consideration, and are confident that you will find the sponsorship of this event to be money well invested.

Very Truly Yours,

Chris Mancus – Chair
